

**BUILDING RULES ASSESSMENT COMMISSION (BRAC)**

**APPLICATION FOR CONCURRENCE**

BRAC concurrence is required before a relevant authority can approve proposed building work that-

- (a) does not meet all relevant Performance Requirements of the Building Code of Australia; or
- (b) the fire authority has recommended against the granting of building rules consent for an application referred to it for comment and a report under regulation 28 of the *Development Regulations 2008*; or
- (c) The proposed building work is for the construction of a private bushfire shelter.

Development No:
